RANKING OF COMPETITORS at the starts of WC races with mass starts

These are criterium races and a long race.

The organizer ranks the competitors in the starting rows of mass races according to the results (achieved time) in the sprint qualification.

Deployment for the individual sprint qualification will be based on the results of the 2023 EC in Italy and other Eurocups in 2023, taking into account the national teams.

The organizer is entitled to grant wild cards to start at the WC in exceptional cases.

After the individual sprint qualification, all competitors will receive a small sticker with the second number with the achieved position in the sprint qualification on the starting number on the handlebars. This number will be used for sorting into starting waves in races with mass starts.

Additional PRESENTATION 9:00 a.m. – 9:30 a.m., marked place in the area

Characteristics of TRACK: up to 1100 m long asphalt cycle oval with a unique width of 9 m, elevation 13 m.

Changing rooms, showers and toilets approx. 50 m from the start/finish of the race.

Parking cars at the entrance to the area or in adjacent streets, according to the organizer's instructions.

There will be up to 6 competitors in the elimination heats. The specific scheme of the heats will be determined only on the basis of registered competitors by 6.8. 2024. How the heats are scheduled is in the proposal annex. Please study in detail.

The sprint races will first take place from 9:45 a.m. for the youth categories and from about 12:30 p.m. for the adult categories from juniors.

Start and starting commands: Start kicking, not running. Competitors prepare at the start line and then start on the following verbal commands Start, or shot, or other distinctive sound. In the qualification is strictly prohibited to ride directly behind another competitor. It is necessary to keep a few meters distance, or immediately overtake. On the other hand, the overtaken must immediately create a gap between them and overtaking. Violation of these rules will result in disqualification.

Competitors choose their starting position in all qualifying heats always based on the qualifying time from the fastest participant to the slowest in the heat.

Approximate timetable::

Start and start commands: Start with a kick (bounce) not a run. Competitors prepare for the starting line at the command "get ready" and start at the following verbal command Start, or a gunshot, or another distinctive sound.

The entire front wheel of the footbike must be behind the starting line.

False start: A false start is a situation where a competitor starts before the start signal/command. Missing the start results in disqualification of the competitor.

Determination of results in the race: Competitors outside the elimination heats will receive the same position in the final order as in the qualification. The order of competitors defeated in the quarter-finals and semi-finals will be determined based on the time they achieved at that level (in the event that no time is measured in the elimination heats in the qualification). The order of the competitors in the final will be determined by their finish. For the combined categories, the results for the announcement of the winners and the ranking of the Rollo League by category will be determined from the overall ranking of their sprint race..
